

Kish Bank Recognized for Community Development by American Bankers Association Foundation

STATE COLLEGE, PA – November 7, 2017 – In conjunction with its annual Community Commitment Awards, Kish Bank was once again recognized by the ABA Foundation for its efforts in 2016-17 related to Community and Economic Development. The ABA Foundation Community Commitment Awards recognize the many valuable ways banks of all sizes and charters contribute to economic growth, community development, and overall well-being of America's communities.

This year's recognition incorporated Kish Bank's record of lending to first-time homeowners and low- to moderate-income home buyers and included reference to the 2017 Pillars of the Community Award presented by the Federal Home Loan Bank of Pittsburgh. It also featured the Kish Celebrates Community event, which Kish hosts annually to recognize outstanding charities and individual volunteers that elevate the quality of life for all who live in Kish's home region.

Information on the award categories can be found on the ABA Foundation Community Commitment Awards web page.
