

Dave Coble to Retire after 19 Years with Kish

It is with mixed emotions that we share the news of the retirement of Dave Coble, effective June 7, 2019. Dave's career at Kish began in 2000 as a Consumer Lending Officer in Mifflin County with the added responsibility of commercial lending. In 2004, he was promoted to Branch Manager, and appointed Assistant Vice President in 2006 and Vice President in 2011. After June 7, Dave will be camping and spending time with his family, enjoying bike-riding, and looking forward to retirement.

To celebrate Dave's retirement, Kish will hold an Open House at the Belleville Financial Center (at 4255 E. Main Street in Belleville) on Friday, June 7 for customers and Kish team members. We invite you to stop by during banking hours (9 a.m – 6 p.m.) to enjoy refreshments and wish Dave well.

Please join us in wishing all the best for Dave in his retirement!
