

## **Kish Bank Donates to Mother Hubbard's Cupboard**

LEWISTOWN, PA – December 23, 2013 – Kish Bank has made a \$500 donation on behalf of their customers and employees to Mother Hubbard's Cupboard. John Cunningham, Kish Bank Regional Market Manager, and Allana Hartung, Kish Bank Commercial Relationship Manager, presented the check to Elta Lauver, Mother Hubbard's Cupboard volunteer, on Friday, December 20.

"This is really going to help!" Lauver said. "We spend about \$3,000 a month purchasing food on our own to keep up with demand."

Mother Hubbard's Cupboard serves over 1,000 families per year, and the number is growing; Lauver reports that they have served 17 new families this past month. Fortunately, donations this year have been better than in the past, which Lauver attributes to increased community awareness of the food pantry and what they do.

Kish Bank directs its community contributions to non-profit organizations that improve the quality of life where their customers and employees live and work.
