

Kish Bank Donates to the State College Food Bank

STATE COLLEGE, PA – December 23, 2013 – Kish Bank has made a \$500 donation on behalf of their customers and employees to the Food Bank of the State College Area, Inc. John Arrington, Kish Bank Sales & Retail Banking Manager, presented the check to Carol Pioli, Executive Director of the Food Bank of the State College Area, Inc., on Friday, December 20.

“The generosity and volunteerism of our community is as overwhelming and humbling as the need for our services,” Pioli said. “Thank you to all who support the effort to prevent hunger.”

The Food Bank, whose mission is to provide emergency food to needy people in the State College Area and to assist the network of food pantries in Centre County, serves over 800 households and distributes over 14,000 pre-packed bags of food annually. Pioli reports that these numbers grow every year.

Kish Bank directs its community contributions to non-profit organizations that improve the quality of life where their customers and employees live and work.
