

Kish Travel Specialists Attend Sandals Resorts' Luxury Included® Workshop, Become Certified Sandals Specialists

STATE COLLEGE, PA – July 17, 2014 – On June 25, Sandy Hunley, LeAnn Smith, and Sandy Berardis of Kish Travel participated in an intensive travel agent workshop administered by Unique Vacations, Inc. (UVI), an affiliate of the worldwide sales and marketing representative for Sandals, Beaches, and Grand Pineapple Beach resorts. The workshop offers detailed information on Sandals Resorts International's extensive portfolio—comprised of Sandals Resorts, Beaches Resorts, and Grand Pineapple Beach Resorts—as well as an overview of new developments, services, and amenities. All who participate in the workshop are eligible to become Certified Sandals Specialists (CSS), an elite group of travel agents recognized by Unique Vacations, Inc. and the travel industry as experts in the world's only Luxury Included® Resorts.

According to Sandy Hunley, General Manager for Kish Travel, there is a serious job at hand understanding the nuances of each brand within the Sandals Resorts portfolio, which is critical to Kish's customers. "Our clients rely on us to help them make the best vacation choices so that every dollar they spend is giving them true value," said Hunley. "We are thrilled to have been a part of this workshop. Our clients want to feel confident that the information they receive is based on expert knowledge and now, our Certified Sandals Specialist designations do just that."

According to Gary Sadler, Senior Vice President of Sales at UVI, relying on a CSS travel agent is one of the best ways consumers can get the most out of their Caribbean vacation. "Vacations are memories in the making," said Sadler. "You don't get a second chance to celebrate the perfect honeymoon or family reunion. It has to be just right. CSS agents such as Hunley, Smith, and Berardis are helping us to match customers to their ideal vacation experience. We congratulate all three Kish Travel Specialists for participating in our workshop, and wish them the very best."
